

**Popular Photo Contest for 2015 Bland County Historical Society
Calendar – Theme: HOMES OF BLAND COUNTY
Deadline for Submissions Extended to July 31**

(Scotthouse.jpg)

Caption for Photograph: This house is located on West Blue Grass Trail across from the old Chafe Crockett Store. It is believed that the Scotts, Crabtrees and others lived in this house at one time. Tom Scott is the current owner of this house.

The Bland County Historical Society is currently accepting photographs for our 2015 BCHS Calendar with the theme, Homes of Bland County. The rules for photographs and submission are:

- Photographs should be of homes in Bland County. They can be old, new, in bad or good condition.
- The photographs must have been taken during the past five years (2010-2014).
- The address of the house must be identified in the photograph so we know it is located in Bland County.
- It is required that you provide a brief history of the house (who lives or lived there). If you can't provide this information, please be sure to note the location and we will try to find out who lived there.
- This year we will only be accepting digital images. No prints, please. You can bring your camera card, a CD or a flash drive by the office and we will download the picture if you cannot email it to us.
- We request that you submit pictures as they were taken. No "photo-shopping," no filters or other enhancements.
- The deadline for submitting photographs is July 31st.
- The calendar will be available for sale at the 2014 Festival of Leaves.
