We are planning a celebration of the publication of our long-awaited book, "Family Histories of Bland County". Board Members will be discussing their favorite family stories. We will have books available for purchase following the meeting. There will be a brief business meeting to bring all of you up to date on activities of the Society since our last meeting in December. Light refreshments will be served. We look forward to seeing you there.

President's Message

I am honored to have been elected President of the Bland County Historical Society. I was born and raised in Bland. After graduating with the Class of 1957 at Bland High School, I was away for a number of years. Several years ago, Elmer and I bought a place in the Little Creek section of Bland County.

After coming back to Bland County, we began volunteering at the Society Office one day a week. Among the many things that we have done during those past few years include helping with the cataloging of items from the Bogle Library, researching and answering historical or genealogical questions that come to us by way of email or phone. In addition, I had the pleasure of scouring the 1962 Bland Messengers to develop our 2012 Historical Society Calendar. I have written a couple of historical glimpses of Bland County entitled: *The Lynching of Ivy Jackson* and *3 Hots and a Cot* about the CCC Camp in Bastian. I am now working on the 3rd glimpse, which will be about the formation of Bland County and the chaotic war years that followed.

We have an exciting history waiting to be discovered. It is my hope that you will become interested in discovering your Bland County past by using the facilities of the Bland County Historical Society. We have a very good library and genealogical database. Come by and see us.

We'd also love to have you volunteer as there are many things to do with renovating our space at the jail, developing programs and displays, and cataloging the many items that have been donated.

DECEMBER QUARTERLY MEMBERSHIP MEETING

Ann Hardy Beardshall spoke to the group about "3 Hots and a Cot", the book she co-authored with Judy Firestone Matthews about the Bastian CCC camp. The research required was extensive and varied from oral histories to national databanks. Ann shared slides and anecdotes from her research. She told us some of the men who came to the CCC camp married local girls and stayed in Bland, including Ms. Matthews' father, whose story provided some of the background for this book. It is a fascinating book and has been a "best seller" for the BCHS. Proceeds from the book all go to the Historical Society.
