### *President's Message*

Alas, we have come to the end of another year. At year's end my term as President of BCHS is expiring. It is now time for someone else to take the reins and move the organization forward. That person has not yet been revealed to us so we are delaying action on selecting the next President until our March, 2015 Membership Meeting. If any of you are willing or know someone who is willing to become the next president, please call the Society Office at 276-688-0088 and let us know.

We also continue to look for anyone interested in serving on our Board of Directors. As many have found out, it is not enough to just attend the board meetings. It is necessary to be a working member of the Board. We have no paid employees and must rely on volunteers to perform the many jobs of the organization. As with most volunteer organizations, it is hard to find members willing to help out. Please consider donating your time.

I would like to personally thank our most faithful volunteers. **Barbara Kemp and Jenny Gills** have spent every Friday afternoon working on our obituary collection. See our website for the link to the collection or come by the office to browse the collection. **Barbara Laban** has also worked on the obituary collection also almost every week until her recent illness. She also is responsible for the beautiful flowers that adorn our building. **Sue Ellen Tate** has helped so much as my backup when I have been away from Bland. And all of the above have worked to keep the office open 2 days a week until recently. Thanks to all of you. You are great volunteers.

We know that you have noticed that we used to be open 2 days a week. This fall we cut back our hours to one day a week. One option we are discussing going forward is being **open by appointment only**. While we would hate to do this, it may be necessary unless more volunteers step up.

Elmer and I will continue to work on the BCHS Database. I will continue to answer research questions and do some writing about Bland County History. These are my passions that I have had little time for during the past two years. Administrative tasks have taken up most of my time.

Thank you for giving me this opportunity to be the president during the past two years.

### Happenings at BCHS in 2014

This has been another busy, productive year at the BCHS, with over **300 visitors** at the BCHS Office and over **50 requests** for family research.

The jail is looking a little better every year. Last year's clearing out all the accumulations in the jail cells from the 1954 addition was followed this year by a ServiceMaster professional cleaning. Other improvements included some painting inside and out, and some new flooring added to one room. The outside of the building was greatly enhanced by the flowers in the boxes and around the flagpole. Thanks to our "green thumb" members, **Barbara Laban, Sue Ellen Tate, Molly Thompson and Pat Turner. Harold Ramsey** has repaired holes and wrapped pipes to winterize this old building.

A big accomplishment this year has been organizing our **Obituary Collection**. Deserving special credit for seeing this completed are: **Barbara Laban, Virginia Gills and Barbara Kemp**, for putting in many hours collecting, pasting, and organizing these obituaries; **Ann Beardshall** for computer assistance and cross checking; and **Goldie Kiser** for entering many obits into our database. Now, thanks to **Elmer Beardshall**, that great information source is available in our office or online (index only). Elmer Beardshall has also developed a BCHS Database designed to help us to locate information in the office about our collection of Bland County genealogy and history.

We again participated in the April WCGHA Family History Institute at WCC as a vendor. Those in attendance greatly enjoyed the program and would suggest members interested in learning more about genealogy mark their calendars to attend next spring. We also took part in Ceres Day, spoke to many folks there about our shared interest in Bland County history, and sold some of our books. We had a booth at the October Festival of Leaves, where despite heavy rains we had many visitors on Saturday.

We appreciate the support from Bland County photographers for our 2015 Calendar contest with over 65 entries of Homes of Bland County. Over 75 people came to our Historical Society Office to vote for their favorites.

Thanks to everyone who has contributed to the success of the Bland County Historical Society in 2014 through donations of artifacts, money or most importantly your time.

The Society's major function is to discover and collect any material which may help to establish or illustrate the history of the area. It provides for the preservation of such material and for its accessibility, as far as may be feasible, to all who wish to examine or study it.
